Curbside Voting for Voters with Disabilities

No updates required since May 21, 2025

Background

Curbside voting is a method of in-person voting where voters who are unable to physically enter their polling place (e.g., due to a disability) may request that a ballot be brought outside of the polling place to an accessible location such as a vehicle. A number of states either require or allow this option to be provided to voters with disabilities.

Scoring

- State explicitly allows curbside voting for voters with disabilities, 1 point
- State has no applicable law, 0 points

Summary Table

Category	Number	List
State explicitly allows curbside voting	27 states & D.C.	Alaska Arizona California Colorado Connecticut D.C. Hawaii Idaho Illinois Iowa Kansas Michigan Minnesota Mississippi Missouri Montana Nebraska New Hampshire North Carolina Ohio Oklahoma South Carolina Texas Vermont Virginia West Virginia Wisconsin Wyoming
